

# SANDY ASCH

**Best-Selling Author, Speaker, Business Consultant**

**TOPIC:** RISE UP: HOW WOMEN ADVANCE IN LEADERSHIP

To thrive in this volatile, uncertain, complex and ambiguous (VUCA) world, women must be resilient. They must master the ability to bounce back from setbacks, recover from disappointment and maintain a calm focus while juggling work and family. Based on her best selling book, *Roar: How to Build a Resilient Organization the World-Famous San Diego Zoo Way*, Sandy Asch presents an innovative model that offers inspiration and actionable guidance for how to build emotional, physical, relational, mental and value resilience. RISE UP gives women leaders the mindset, skillset and toolset they need to navigate the change, stress and uncertainty of the demanding workplace, fulfil on goals, and maintain a quality of life and lasting sense of fulfillment.

## OUTCOMES:

- Discover the biggest challenge women face in the workplace
- Learn the 3 skills women must master to advance in leadership
- Understand why your flaws and failures are your greatest asset
- Explore how to develop the courage you need to RISE UP

## EXPERIENCE:

Sandy Asch, Principal Alliance for Organizational Excellence LLC, is the bestselling author of *ROAR: How to Build a Resilient Organization the World Famous San Diego Zoo Way*, an internationally recognized speaker, global consultant, best place to work expert, woman of influence and architect of the Resilience at Work™ model.
